

- Acknowledgments p. ix
- Introduction p. xix
- Part 1 Backup and Recovery Overview
- 1 Protect the Data p. 3
 - Introducing the House of Sid p. 5
 - Sid's House p. 6
 - Debbie's Chores p. 6
 - Logan's Chores p. 7
 - Archie's Chores p. 8
 - Chuck's Chores p. 9
 - The Control Notebook p. 9
 - The Alert Log p. 10
 - Morning Routine p. 10
 - Bedtime Routine p. 11
 - Sid's Problems p. 11
 - The Oracle Server p. 12
 - Database Contents p. 13
 - Memory Structures p. 13
 - Database Structures p. 14
 - Oracle Database Files p. 16
 - Datafiles p. 16
 - Online Redo Log Files p. 17
 - Archived Redo Logs Files p. 18
 - Control Files p. 19
 - Initialization Parameter File p. 19
 - Alert Log File and Trace Files p. 19
 - Password File p. 20
 - Oracle Database Processes p. 21
 - Processes Defined p. 21
 - Oracle Database Operations p. 24
 - Transaction p. 24
 - Startup p. 26
 - Log Switch p. 27
 - Checkpoint p. 27
 - Shutdown p. 28
 - Summary p. 29
 - Chapter Questions p. 29
 - Answers to Chapter Questions p. 31
- 2 Backup and Recovery Options p. 33
 - User-Managed Backup and Recovery p. 34
 - Physical Backup Options p. 35
 - Physical Recovery Methods p. 37
 - Duplicate Database p. 41
 - Standby Database p. 42

- Logical Operations p. 42
- Server-Managed Backup and Recovery p. 43
- Recovery Manager Features p. 43
- Recovery Manager Capabilities p. 46
- Oracle Backup and Recovery (Other Options) p. 47
- Oracle 9i Enhancements p. 47
- Oracle Enterprise Manager p. 47
- Vendor Solutions p. 48
- Summary p. 50
- Chapter Questions p. 50
- Answers to Chapter Questions p. 52
- 3 Hands-on Practice p. 53
- Exposure Therapy p. 54
- Machines for Activities p. 57
- Environment Variables and Oracle Software p. 57
- Oracle Server on Linux p. 58
- Oracle Server on Windows NT p. 58
- Oracle Server on Unix p. 59
- Oracle Software Installation p. 59
- Exercise 3.1 Load the Oracle Software p. 59
- Databases for Practice p. 61
- Exercise 3.2 Create PRACTICE Database p. 62
- Exercise 3.3 Tour the PRACTICE Database p. 67
- Exercise 3.4 Modify PRACTICE Database p. 74
- Create RCAT Database p. 78
- Troubleshooting p. 78
- Connect Command p. 78
- Select Command p. 79
- Shutdown Command p. 79
- Summary p. 80
- Chapter Questions p. 80
- Answers to Chapter Questions p. 82
- Part II User Managed Recovery
- 4 Closed Backup and Recovery p. 85
- Closed Backup and Complete Restore p. 87
- Exercise 4.1 Back Up a Closed Database p. 88
- Exercise 4.2 Restore the Whole Database p. 90
- Complete and Incomplete Recovery p. 94
- Exercise 4.3 Complete Database Recovery p. 94
- Exercise 4.4 Incomplete Database Recovery p. 102
- Troubleshooting p. 108
- Alter Database Open p. 108
- Startup Mount p. 109
- Alter System Switch Log File p. 109

- Summary p. 109
- Chapter Questions p. 109
- Answers to Chapter Questions p. 111
- 5 Recovery from Open Backup p. 113
- Whole Open Backup p. 115
- Exercise 5.1 Backup an Open Database p. 117
- Exercise 5.2 Backup Archive Log Files p. 124
- Complete and Incomplete Recovery p. 127
- Exercise 5.3 Complete Recovery from an Open Backup p. 128
- Exercise 5.4 Incomplete Recovery from an Open Backup p. 132
- Troubleshooting p. 137
- Archive Commands p. 137
- Startup or Shutdown Commands p. 138
- Summary p. 138
- Chapter Questions p. 139
- Answers to Chapter Questions p. 141
- 6 Duplicate Database p. 143
- Database Duplication p. 147
- Exercise 6.1 Clone Open Practice Database p. 148
- Duplicate Database Scenarios p. 156
- Clone to a Different Machine p. 156
- Clone from a Tape Backup p. 157
- Copy a Database to a Different Machine p. 158
- Duplicate Part of a Database p. 159
- Troubleshooting p. 160
- Command Connect p. 160
- Command CREATE CONTROLFILE p. 160
- Command RECOVER DATABASE p. 161
- Command ALTER DATABASE OPEN RESETLOGS p. 161
- Summary p. 162
- Chapter Questions p. 162
- Answers to Chapter Questions p. 164
- 7 Standby Database p. 165
- Oracle's Standby Database p. 168
- Exercise 7.1 Initiate a Standby Database p. 169
- Exercise 7.2 Recover Standby Database p. 172
- Exercise 7.3 Open the Standby Database in Read-Only p. 177
- Exercise 7.4 Activate the Standby Database p. 179
- Recommendations p. 181
- Troubleshooting p. 181
- Summary p. 182
- Chapter Questions p. 183
- Answers to Chapter Questions p. 184
- 8 Export and Import p. 185

- Database Mode Export and Import p. 191
- Exercise 8.1 Export the Full Database p. 191
- User Mode Export and Import p. 197
- Exercise 8.2 Replace and Clone User SCOTT p. 197
- Table Mode Export and Import p. 200
- Exercise 8.3 Export a Database Table p. 201
- 9i New Features p. 203
- Troubleshooting p. 204
- Summary p. 204
- Chapter Questions p. 204
- Answers to Chapter Questions p. 206
- 9 Tablespace Point In Time Recovery p. 207
- Tablespace Recovery Investigation p. 210
- Exercise 9.1 Research and Resolve Tablespace Recovery p. 211
- Tablespace Recovery on an Auxiliary Database p. 216
- Exercise 9.2 Restore and Recover USERS Tablespace p. 216
- Transportable Tablespace p. 220
- Exercise 9.3 Transport the USERS Tablespace p. 221
- Transportable Tablespace Tips p. 225
- Troubleshooting p. 225
- Summary p. 226
- Chapter Questions p. 226
- Answers to Chapter Questions p. 228
- 10 LogMiner p. 229
- Analyzing Redo Using LogMiner p. 232
- Exercise 10.1 Analyze the Redo Files p. 233
- Oracle 9i Enhancements p. 245
- Troubleshooting p. 246
- Summary p. 246
- Chapter Questions p. 247
- Answers to Chapter Questions p. 249
- Part III Server Managed Recovery
- 11 RMAN Configuration p. 253
- RMAN Architecture p. 254
- Key Features of RMAN p. 256
- Recovery Manager Catalog p. 258
- Exercise 11.1 Create a Recovery Manager Catalog p. 260
- Media Management Layer p. 267
- Configure the Media Management Layer p. 268
- Consult Your Tape Management Vendor p. 269
- Oracle 9i New Features p. 270
- Troubleshooting p. 271
- RMAN Messages p. 272
- Media Management Layer p. 272

- Summary p. 273
- Chapter Questions p. 273
- Answers to Chapter Questions p. 275
- 12 RMAN Backup p. 277
- Recovery Manager Backup Options p. 278
- Backups p. 279
- RMAN Backup Compression p. 283
- Image Copies p. 289
- Proxy Copies p. 290
- Backup Types Compared p. 291
- Exercise 12.1 Create Recovery Manager Image Copies p. 293
- Exercise 12.2 Create Recovery Manager Whole Backup p. 296
- Exercise 12.3 Create Recovery Manager Incremental Backups p. 303
- Exercise 12.4 Create Recovery Manager Archive Log Backup p. 305
- RMAN Backup of Multiple Archive Destinations p. 307
- RMAN Deployment p. 308
- RMAN Backup Performance p. 312
- Monitor Backup and Copy Jobs p. 313
- Performance Tips p. 313
- Troubleshooting p. 314
- Corruption Detection p. 315
- Summary p. 316
- Chapter Questions p. 317
- Answers to Chapter Questions p. 318
- 13 RMAN Catalog Maintenance p. 319
- RMAN Commands p. 322
- List p. 322
- Report p. 322
- Change p. 322
- Crosscheck p. 323
- Validate p. 323
- Recovery Manager Scripts p. 324
- Exercise 13.1 Stored Scripts p. 324
- Recovery Manager Backup Confirmation p. 328
- Exercise 13.2 Confirm Backups p. 329
- Recovery Catalog Cleanup p. 345
- Exercise 13.3 Remove Redundant Backups p. 345
- Troubleshooting p. 350
- Summary p. 351
- Chapter Questions p. 351
- Answers to Chapter Questions p. 353
- 14 RMAN Recovery p. 355
- RMAN Restore p. 356
- RMAN Recovery p. 357

- RMAN Restore and Recover p. 361
- Exercise 14.1 Restore the Whole Database p. 361
- Exercise 14.2 Restore and Recover a Datafile p. 368
- Exercise 14.3 Incomplete Database Recovery p. 375
- Recovery Tips p. 379
- Troubleshooting p. 381
- Summary p. 382
- Chapter Questions p. 383
- Answers to Chapter Questions p. 384
- 15 RMAN Duplicate Database p. 385
- Recovery Manager Duplication p. 390
- Exercise 15.1 Duplicate PRACTICE Database with RMAN p. 391
- Duplicating a Database on a Different Server p. 400
- Troubleshooting p. 400
- Summary p. 402
- Chapter Questions p. 403
- Answers to Chapter Questions p. 404
- 16 RMAN Standby Database p. 405
- Recovery Manager Standby p. 409
- Exercise 16.1 Create a Standby Database with RMAN p. 412
- Recovery Manager Standby Backup p. 418
- Exercise 16.2 Back Up a Standby Database with RMAN p. 419
- Troubleshooting p. 422
- Summary p. 422
- Chapter Questions p. 424
- Answers to Chapter Questions p. 426
- 17 RMAN Tablespace Recovery p. 427
- Recovery Manager TSPITR p. 431
- Exercise 17.1 Tablespace Point-in-Time Recovery p. 433
- Troubleshooting p. 439
- Summary p. 440
- Chapter Questions p. 441
- Answers to Chapter Questions p. 443
- Part IV Appendixes
- A Glossary p. 447
- B RMAN in Oracle 9i p. 457
- RMAN Configuration p. 458
- RMAN Backup p. 460
