

- Preface p. xii
- Introduction p. xv
- Chapter 1 Introduction to the Personal Computer p. 1
- How the PC Works p. 1
- Input p. 1
- Processing p. 2
- Output p. 2
- Storage p. 2
- The Art of the PC Technician p. 2
- Microcomputers p. 3
- Microcomputers Today p. 3
- Microcomputer Hardware p. 4
- Processor p. 5
- Motherboard and Chipset p. 7
- Memory p. 8
- Display Adapter and Monitor p. 9
- Keyboard p. 10
- Pointing Device p. 10
- Disk Drives p. 10
- Peripheral Devices p. 10
- Microcomputer Operating Systems p. 11
- User Interface p. 11
- Yesterday's Operating Systems p. 12
- First the Machines p. 12
- Then the Operating Systems p. 13
- DOS, CP/M, Apple, and the Killer App p. 13
- The Second Wave p. 14
- OS/2 p. 14
- Microsoft Windows p. 15
- Windows for Workgroups p. 16
- Today's Operating Systems p. 16
- Macintosh OSs p. 23
- UNIX/Linux p. 24
- Chapter 1 Review p. 25
- Chapter 2 Introduction to Windows p. 30
- Functions of the Operating System p. 31
- Operating System Traits p. 31
- Communicating with Hardware p. 32
- Creating a User Interface p. 33
- Accessing and Supporting Programs p. 33
- Organizing and Manipulating Programs and Data p. 34
- Operating System Implementations p. 34
- The Standard Windows Feature Set p. 37
- User Interface p. 37

- Tech Utilities p. 46
- OS Folders p. 54
- Chapter 2 Review p. 63
- Chapter 3 Features and Characteristics of Windows p. 68
- Features and Characteristics of Windows 9x/Me p. 69
- DOS Protected Mode Interface p. 69
- Legacy GUI Files p. 74
- Windows 9x/Me GUI Files p. 76
- Major Differences Among Windows 95, 98, 98 SE, and Me p. 77
- Features and Characteristics of Windows NT/2000/XP p. 81
- Windows NT p. 82
- OS Organization p. 82
- NT File System (NTFS) p. 83
- Booting Up vs. Going Graphical p. 89
- The Boot Process p. 90
- System Partition Boot Files p. 91
- Service Packs p. 93
- Major Differences Among Windows NT, 2000, and XP p. 93
- Chapter 3 Review p. 99
- Chapter 4 Working with the Command Line Interface p. 105
- Deciphering the Command Line Interface p. 107
- Accessing the Command Line p. 108
- The Command Prompt p. 109
- Filenames and File Formats p. 109
- Drives and Folders p. 111
- Mastering Fundamental Commands p. 112
- Structure: Syntax and Switches p. 113
- DIR Command p. 113
- Directories: The CD Command p. 114
- Moving Between Drives p. 115
- Making Directories p. 116
- Removing Directories p. 117
- Running a Program p. 118
- Working with Files p. 119
- Attributes p. 120
- Wildcards p. 121
- Renaming Files p. 123
- Deleting Files p. 123
- Copying and Moving Files p. 124
- Working with Batch Files p. 127
- Using Function Keys p. 131
- Compact and Cipher p. 131
- Chapter 4 Review p. 135
- Chapter 5 Implementing Hard Drives p. 142

- Installing IDE Hard Drives p. 143
- Parallel ATA p. 143
- Serial ATA p. 146
- BIOS p. 148
- Test Specific p. 149
- Partitioning Hard Drives p. 150
- Partitioning Basic Disks p. 150
- Partitioning Dynamic Disks p. 167
- Formatting Hard Drives p. 175
- File Systems in Windows p. 175
- FAT p. 176
- FAT32 p. 182
- NTFS 4 p. 183
- NTFS 5 p. 184
- Formatting a Partition p. 187
- Maintaining and Troubleshooting Hard Drives p. 189
- Maintenance p. 189
- Troubleshooting p. 194
- Beyond A+ p. 202
- Third-Party Partition Tools p. 202
- Chapter 5 Review p. 204
- Chapter 6 Installing and Upgrading Windows p. 214
- Windows Installation/Upgrade Overview p. 215
- Preparing for Installation or Upgrade p. 215
- Performing the Installation/Upgrade p. 220
- Post-Installation Tasks p. 221
- Installing and Upgrading Windows 9x/Me p. 222
- Preparing to Upgrade/Install p. 222
- The Windows 98/Me Installation/UpgradeProcess p. 224
- Installing Windows NT 4.0 Workstation p. 227
- Installing and Upgrading to Windows 2000 Professional p. 228
- Preinstallation Tasks p. 228
- The Windows 2000 Installation/Upgrade Process p. 231
- Installing and Upgrading to Windows XP Professional p. 232
- Upgrade Paths p. 233
- XP Hardware Requirements p. 233
- Hardware and Software Compatibility p. 233
- Booting into Windows XP Setup p. 235
- Registration Versus Activation p. 235
- The Windows XP Installation Process p. 236
- Troubleshooting Installation Problems p. 239
- Text Mode Errors p. 239
- Graphical Mode Errors p. 240
- Chapter 6 Review p. 243

- Chapter 7 Maintaining, Optimizing, and Troubleshooting Windows 9x and Windows Me p. 250
  - Maintaining and Optimizing Windows 9x/Me p. 251
  - Service Packs/Patches/Windows Update p. 251
  - Drive Maintenance p. 254
  - Task Scheduling p. 255
  - Virtual Memory p. 256
  - Disk Cache p. 258
  - Resource Tracking Tools p. 258
  - Auto-Starting Programs p. 261
  - Installing Software p. 261
  - Device Installation p. 262
  - Before You Buy p. 262
  - Procedure Check p. 264
  - Backup p. 265
  - Device Manager p. 267
  - Applications p. 268
  - Dealing with Plug and Play Problems p. 269
  - Device Manager Errors p. 273
  - IRQ Steering p. 277
  - Windows Memory p. 278
  - Legacy Devices in a Plug and Play World p. 279
  - Preparing to Install a Legacy Device p. 280
  - Installing the Legacy Device p. 282
  - Resource Conflicts p. 283
  - Troubleshooting Windows 9x/Me p. 284
  - Be Prepared p. 284
  - Backup p. 285
  - System Restore p. 286
  - ConfigSafe p. 289
  - Antivirus Protection p. 290
  - General System Sluggishness p. 293
  - Windows Boot Problems p. 294
  - Lockups/Reboots p. 296
  - General Protection Faults p. 296
  - Windows Protection Errors p. 297
  - Fatal Exception Errors p. 297
  - Dr. Watson Utility p. 297
  - Shutdown Problems p. 297
  - Tweak UI p. 298
  - Chapter 7 Review p. 299
- Chapter 8 Maintaining, Optimizing, and Troubleshooting Windows NT, 2000, and XP p. 306
  - Tools for Maintaining and Optimizing Windows p. 307
  - The Microsoft Management Console (MMC) p. 307

- Task Manager p. 312
- Maintaining and Optimizing Windows p. 312
- Patches, Updates, and Service Packs p. 312
- Removing Software p. 316
- Adding or Removing Windows Components p. 317
- Installing/Adding a Device p. 317
- Managing User Accounts and Groups p. 323
- Optimizing Windows 2000/XP p. 329
- Resource Tracking p. 330
- Disk Defragmentation and Error Checking p. 333
- Temporary File Management with Disk Cleanup p. 333
- Preparing for Problems p. 334
- Creating an MS-DOS Startup Disk p. 338
- Installing Recovery Console p. 338
- Troubleshooting Windows p. 339
- Troubleshooting Windows 2000/XP with the Recovery Console p. 339
- Troubleshooting Windows XP Using System Restore p. 341
- Troubleshooting Startup Failures with Advanced Startup Options p. 342
- Troubleshooting Using the Emergency Repair Disk p. 346
- Chapter 8 Review p. 348
- Chapter 9 Networking p. 356
- Networking Technologies p. 357
- Packets/Frames and NICs p. 358
- Coaxial Ethernet p. 359
- UTP Ethernet (10<sup>x</sup> BaseT) p. 362
- Fiber Optic Ethernet p. 365
- Token Ring p. 365
- Network Operating Systems p. 368
- Network Organization p. 368
- Protocols p. 373
- Client Software p. 374
- Server Software p. 375
- Installing and Configuring a Wired Network p. 375
- Installing a NIC p. 375
- Configuring a Network Client p. 376
- Configuring Simple Protocols p. 377
- Configuring TCP/IP p. 378
- Sharing and Security p. 387
- Installing and Configuring a Wireless Network p. 391
- Wireless Networking Components p. 392
- Wireless Networking Software p. 392
- Wireless Network Modes p. 394
- Wireless Networking Security p. 394
- Speed and Range Issues p. 396

- Wireless Networking Standards p. 396
- Configuring Wireless Networking p. 399
- Troubleshooting Networks p. 404
- Verify the Symptom p. 405
- When Did It Happen? p. 405
- What Has Changed? p. 406
- Check the Environment p. 406
- Reproducing the Problem p. 407
- Isolating the Symptom p. 407
- Separating Hardware from Software p. 407
- Research p. 408
- Make the Fix and Test p. 408
- Mike's Four-Layer Model p. 408
- Bluetooth p. 409
- Chapter 9 Review p. 411
- Chapter 10 The Internet p. 419
- Understanding the Internet p. 420
- Root Servers and Backbones p. 420
- TCP/IP--The Common Language of the Internet p. 421
- Internet Service Providers p. 422
- Connection Concepts p. 422
- Connecting to the Internet p. 423
- Dial-up p. 423
- Digital Subscriber Line (DSL) p. 430
- Cable p. 431
- LAN p. 432
- Wireless p. 432
- Satellite p. 432
- Internet Connection Sharing p. 433
