

- **Section I Lifestyles for Health, Wellness, and Fitness (p. 1)**
- **1 Health, Wellness, Fitness, and Healthy Lifestyles: An Introduction (p. 1)**
- **National Health Goals (p. 2)**
- **Health and Wellness (p. 2)**
- **Physical Fitness (p. 6)**
- **A Model for Achieving and Maintaining Lifelong Health, Wellness, and Fitness (p. 9)**
- **Factors Influencing Health, Wellness, and Fitness (p. 9)**
- **Healthy Lifestyles (p. 12)**
- **The Help Philosophy (p. 13)**
- **Strategies for Action (p. 14)**
- **Lab Resource Materials: The Healthy Lifestyle Questionnaire (p. 17)**
- **Lab 1A Wellness Self-Perceptions (p. 19)**
- **2 Self-Management and Self-Planning Skills for Health Behavior Change (p. 21)**
- **Making Lifestyle Changes (p. 22)**
- **Factors That Promote Lifestyle Change (p. 23)**
- **Self-Management Skills (p. 27)**
- **Self-Planning for Healthy Lifestyles (p. 27)**
- **Strategies for Action (p. 32)**
- **Lab Resource Material (p. 36)**
- **Lab 2A The Stage of Change Questionnaire (p. 37)**
- **Lab 2B The Self-Management Skills Questionnaire (p. 39)**
- **Section II An Introduction to Physical Activity (p. 43)**
- **3 Preparing for Physical Activity (p. 43)**
- **Factors to Consider Prior to Physical Activity (p. 44)**
- **Factors to Consider during Daily Physical Activity (p. 46)**
- **Physical Activity in the Heat and Cold (p. 48)**
- **Physical Activity in Other Environments (p. 51)**
- **Soreness and Injury (p. 52)**
- **Attitudes about Physical Activity (p. 52)**
- **Strategies for Action (p. 55)**
- **Lab 3A Readiness for Physical Activity (p. 57)**
- **Lab 3B The Warm-Up and Cool-Down (p. 59)**
- **Lab 3C Physical Activity Attitude Questionnaire (p. 61)**
- **4 The Health Benefits of Physical Activity (p. 63)**
- **Physical Activity and Hypokinetic Diseases (p. 64)**
- **Physical Activity and Cardiovascular Diseases (p. 65)**
- **Physical Activity and the Healthy Heart (p. 65)**
- **Physical Activity and Atherosclerosis (p. 66)**
- **Physical Activity and Heart Attack (p. 68)**
- **Physical Activity and Other Cardiovascular Diseases (p. 69)**
- **Physical Activity and Other Hypokinetic Conditions (p. 71)**
- **Physical Activity and Aging (p. 74)**
- **Physical Activity, Health, and Wellness (p. 75)**
- **Strategies for Action (p. 78)**
- **Lab 4A Assessing Heart Disease Risk Factors (p. 81)**

- **5 How Much Physical Activity Is Enough?** (p. 83)
- **The Principles of Physical Activity** (p. 84)
- **The Fit Formula** (p. 86)
- **The Physical Activity Pyramid** (p. 87)
- **Understanding Physical Activity Guidelines** (p. 89)
- **Physical Activity Patterns** (p. 90)
- **Physical Fitness Standards** (p. 91)
- **Strategies for Action** (p. 92)
- **Lab 5A Self-Assessment of Physical Activity** (p. 93)
- **Lab 5B Estimating Your Fitness** (p. 95)
- **Section III The Physical Activity Pyramid** (p. 97)
- **6 Lifestyle Physical Activity: Being Active in Diverse Environments** (p. 97)
- **Adopting an Active Lifestyle** (p. 98)
- **The Health Benefits of Lifestyle Physical Activity** (p. 99)
- **How Much Lifestyle Physical Activity Is Enough?** (p. 101)
- **Lifestyle Activity and the Environment** (p. 104)
- **Strategies for Action** (p. 105)
- **Lab 6A Planning and Self-Monitoring (Logging) Your Lifestyle Physical Activity** (p. 107)
- **Lab 6B Evaluating Physical Activity Environments** (p. 109)
- **7 Cardiovascular Fitness** (p. 111)
- **Cardiovascular Fitness** (p. 112)
- **Cardiovascular Fitness and Health Benefits** (p. 115)
- **Threshold and Target Zones for Improving Cardiovascular Fitness** (p. 116)
- **Strategies for Action** (p. 123)
- **Lab Resource Materials: Evaluating Cardiovascular Fitness** (p. 125)
- **Lab 7A Counting Target Heart Rate and Ratings of Perceived Exertion** (p. 129)
- **Lab 7B Evaluating Cardiovascular Fitness** (p. 131)
- **8 Active Aerobics, Sports, and Recreational Activities** (p. 133)
- **Physical Activity Pyramid: Level 2** (p. 134)
- **Active Aerobic Activities** (p. 136)
- **Active Recreation Activities** (p. 140)
- **Active Sport Activities** (p. 140)
- **Strategies for Action** (p. 143)
- **Lab 8A The Physical Activity Adherence Questionnaire** (p. 145)
- **Lab 8B Planning and Logging Participation in Active Aerobics, Sports, and Recreation** (p. 147)
- **9 Flexibility** (p. 149)
- **Flexibility Fundamentals** (p. 150)
- **Factors Influencing Flexibility** (p. 151)
- **Health Benefits of Flexibility and Stretching** (p. 152)
- **Stretching Methods** (p. 154)
- **How Much Stretch Is Enough?** (p. 156)
- **Flexibility-Based Activities and Training Aids** (p. 158)
- **Guidelines for Safe and Effective Stretching Exercise** (p. 159)
- **Strategies for Action** (p. 159)

- **Lab Resource Materials: Flexibility Tests** (p. 167)
- **Factors Influencing Strength and Muscular Endurance** (p. 174)
- **Lab 9A Evaluating Flexibility** (p. 169)
- **Lab 9B Planning and Logging Stretching Exercises** (p. 171)
- **10 Muscle Fitness and Resistance Exercise** (p. 173)
- **Health Benefits of Muscle Fitness and Resistance Exercise** (p. 176)
- **Types of PRE** (p. 177)
- **Resistance Training Equipment** (p. 179)
- **Progressive Resistance Exercise: How Much Is Enough?** (p. 180)
- **Training Principles for PRE** (p. 183)
- **Is There Strength in a Bottle?** (p. 184)
- **Guidelines for Safe and Effective Resistance Training** (p. 187)
- **Strategies for Action** (p. 189)
- **Lab Resource Materials: Muscle Fitness Tests** (p. 201)
- **Lab 10A Evaluating Muscle Strength: 1RM and Grip Strength** (p. 205)
- **Lab 10B Evaluating Muscular Endurance** (p. 207)
- **Lab 10C Planning and Logging Muscle Fitness Exercises: Free Weights or Resistance Machines** (p. 209)
- **Lab 10D Planning and Logging Muscle Fitness Exercises: Calisthenics or Core Exercises** (p. 211)
- **Section IV Physical Activity: Special Considerations** (p. 213)
- **11 Body Mechanics: Posture, Questionable Exercises, and Care of the Back and Neck** (p. 213)
- **Anatomy and Function of the Spine** (p. 214)
- **Good Posture Is Important for Neck and Back Health** (p. 215)
- **Good Body Mechanics Is Important for Neck and Back Health** (p. 217)
- **Causes and Consequences of Back and Neck Pain** (p. 219)
- **Guidelines for Safe Physical Activity** (p. 222)
- **Prevention of and Rehabilitation from Back and Neck Problems** (p. 223)
- **Strategies for Action** (p. 226)
- **Lab Resource Materials: Healthy Back Tests** (p. 243)
- **Lab 11A The Healthy Back Tests and Back/Neck Questionnaire** (p. 245)
- **Lab 11B Evaluating Posture** (p. 247)
- **Lab 11C Planning and Logging Exercises: Care of the Back and Neck** (p. 249)
- **12 Performance Benefits of Physical Activity** (p. 251)
- **High-Level Performance and Training Characteristics** (p. 252)
- **Training for Endurance and Speed** (p. 254)
- **Training for Strength and Muscular Endurance** (p. 256)
- **Training for Power** (p. 257)
- **Training for Balance and Flexibility** (p. 258)
- **Training for High-Level Performance: Skill-Related Fitness and Skill** (p. 259)
- **Guidelines for High-Performance Training** (p. 261)
- **Performance Trends and Ergogenic Aids** (p. 262)
- **Strategies for Action** (p. 264)
- **Lab Resource Materials: Skill-Related Physical Fitness** (p. 267)
- **Lab 12A Evaluating Skill-Related Physical Fitness** (p. 271)

- **Lab 12B Identifying Symptoms of Overtraining** (p. 273)
- **Section V Nutrition and Body Composition** (p. 275)
- **13 Body Composition** (p. 275)
- **Health Risks Associated with Excessively Low Body Fatness** (p. 282)
- **Understanding and Interpreting Body Composition Measures** (p. 276)
- **Methods Used to Assess Body Composition** (p. 278)
- **Health Risks Associated with Overfatness** (p. 280)
- **The Origin of Fatness** (p. 283)
- **The Relationship between Physical Activity and Body Composition** (p. 285)
- **Strategies for Action** (p. 287)
- **Lab Resource Materials: Evaluating Body Fat** (p. 291)
- **Lab 13A Evaluating Body Composition: Skinfold Measures** (p. 299)
- **Lab 13B Evaluating Body Composition: Height, Weight, and Circumference Measures** (p. 303)
- **Lab 13C Determining Your Daily Energy Expenditure** (p. 305)
- **14 Nutrition** (p. 309)
- **Guidelines for Healthy Eating** (p. 310)
- **Dietary Recommendations for Carbohydrates** (p. 314)
- **Dietary Recommendations for Fat** (p. 315)
- **Dietary Recommendations for Proteins** (p. 317)
- **Dietary Recommendations for Vitamins** (p. 318)
- **Dietary Recommendations for Minerals** (p. 321)
- **Dietary Recommendations for Water and Other Fluids** (p. 321)
- **Sound Eating Practices** (p. 322)
- **Nutrition and Physical Performance** (p. 323)
- **Strategies for Action** (p. 325)
- **Lab 14A Nutrition Analysis** (p. 327)
- **Lab 14B Selecting Nutritious Foods** (p. 331)
- **15 Managing Diet and Activity for Healthy Body Fatness** (p. 333)
- **Factors Influencing Weight and Fat Control** (p. 334)
- **Guidelines for Losing Body Fat** (p. 335)
- **Guidelines for Gaining Muscle Mass** (p. 340)
- **Strategies for Action** (p. 341)
- **Lab 15A Selecting Strategies for Managing Eating** (p. 343)
- **Lab 15B Evaluating Fast-Food Options** (p. 345)
- **Section VI Stress Management** (p. 347)
- **16 Stress and Health** (p. 347)
- **Sources of Stress** (p. 348)
- **Reactions to Stress** (p. 350)
- **Stress Responses and Health** (p. 352)
- **Strategies for Action** (p. 355)
- **Lab 16A Evaluating Your Stress Level** (p. 357)
- **Lab 16B Evaluating Your Hardiness and Locus of Control** (p. 359)
- **17 Stress Management, Relaxation, and Time Management** (p. 361)
- **Coping with Stress** (p. 366)
- **Physical Activity and Stress Management** (p. 362)

- **Stress, Sleep, and Recreation** (p. 363)
- **Time Management** (p. 364)
- **Emotion-Focused Coping Strategies** (p. 368)
- **Appraisal-Focused Coping Strategies (Cognitive Restructuring)** (p. 369)
- **Problem-Focused Coping Strategies** (p. 370)
- **Social Support and Stress Management** (p. 372)
- **Strategies for Action** (p. 373)
- **Lab 17A Time Management** (p. 375)
- **Lab 17B Evaluating Coping Strategies** (p. 377)
- **Lab 17C Relaxation Exercises** (p. 379)
- **Lab 17D Evaluating Levels of Social Support** (p. 381)
- **Section VII Avoiding Destructive Behaviors** (p. 383)
- **18 The Use and Abuse of Tobacco** (p. 383)
- **Tobacco and Nicotine** (p. 384)
- **The Health and Economic Costs of Tobacco** (p. 385)
- **The Facts about Tobacco Usage** (p. 387)
- **Strategies for Action** (p. 390)
- **Lab 18A Use and Abuse of Tobacco** (p. 393)
- **19 The Use and Abuse of Alcohol** (p. 395)
- **Alcohol and Alcoholic Beverages** (p. 396)
- **Health and Behavioral Consequences of Alcohol** (p. 397)
- **Alcohol Consumption and Alcohol Abuse** (p. 400)
- **Strategies for Action** (p. 404)
- **Lab 19A Blood Alcohol Level** (p. 407)
- **Lab 19B Perceptions about Alcohol Use** (p. 409)
- **20 The Use and Abuse of Other Drugs** (p. 411)
- **Classification of Illicit and Prescription Drugs** (p. 412)
- **The Consequences of Drug Use** (p. 415)
- **Use and Abuse of Drugs** (p. 415)
- **Strategies for Action** (p. 419)
- **Lab 20A Use and Abuse of Other Drugs** (p. 421)
- **21 Preventing Sexually Transmitted Infections** (p. 423)
- **General Facts** (p. 424)
- **HIV/AIDS** (p. 424)
- **Other Sexually Transmitted Infections** (p. 428)
- **Strategies for Action** (p. 431)
- **Lab 21A Sexually Transmitted Infection Risk Questionnaire** (p. 433)
- **Section VIII Making Informed Choices** (p. 435)
- **22 Cancer, Diabetes, and Other Health Threats** (p. 435)
- **Cancer** (p. 436)
- **Diabetes** (p. 443)
- **Other Health Threats** (p. 445)
- **Strategies for Action** (p. 447)
- **Lab 22A Determining Your Cancer Risk** (p. 449)
- **Lab 22B Breast and Testicular Self-Exams** (p. 451)

- **23 Evaluating Fitness and Wellness Products: Becoming an Informed Consumer** (p. 453)
- **Quacks and Quackery** (p. 454)
- **Physical Activity and Exercise Equipment** (p. 455)
- **Health and Fitness Clubs** (p. 458)
- **Body Composition** (p. 458)
- **Nutrition** (p. 459)
- **Other Consumer Information** (p. 462)
- **Books, Magazines, and Articles** (p. 462)
- **The Internet** (p. 463)
- **Strategies for Action** (p. 463)
- **Lab 23A Practicing Consumer Skills: Evaluating Products** (p. 465)
- **Lab 23B Evaluating a Health/Wellness or Fitness Club** (p. 467)
- **24 Toward Optimal Health and Wellness: Planning for Healthy Lifestyle Change** (p. 469)
- **Strategies for Action** (p. 471)
- **Lab 24A Assessing Factors That Influence Health, Wellness, and Fitness** (p. 477)
- **Lab 24B Planning for Improved Health, Wellness, and Fitness** (p. 479)
- **Lab 24C Planning Your Personal Physical Activity Program** (p. 481)
