

# Table of contents

- **1 Introduction**
- **I Digital Coding Techniques**
- **2 Color Formats**
- **3 Quantization**
- **4 Predictive Coding**
- **5 Transform Coding**
- **6 Hybrid Coding and Motion Compensation**
- **7 Vector Quantization and Subband Coding**
- **II International Standards for Image, Video and Audio Coding**
- **8 JPEG Still Picture Compression Algorithm**
- **9 ITU-T H.261 Video Coder**
- **10 MPEG-1 Audiovisual Coder for Digital Storage Media**
- **11 MPEG-2 Generic Coding Algorithms**
- **12 MPEG-4 and H.263 Very Low Bit-rate Coding**
- **13 High Definition Television Services**
- **14 CMTT Digital Broadcasting**
- **Appendix A Manufactures and Vendors**
- **Appendix B Information on the Internet**
