

- Part 1 Ais Foundations p. 1
- 1 Introduction to Accounting Information Systems p. 2
- Synopsis p. 3
- Introduction p. 3
- The Textbook's Three Themes p. 4
- Beyond Debits and Credits p. 5
- What Is an Accounting Information System? p. 11
- Logical Components of a Business Process p. 18
- The Accountant's Role in the Current Business Environment p. 22
- How This Textbook Presents Accounting Information Systems p. 23
- Summary p. 26
- Review Questions p. 26
- Discussion Questions p. 27
- 2 Intelligent Systems and Knowledge Management p. 29
- Synopsis p. 29
- Introduction p. 30
- Management Uses of Information p. 31
- Knowledge Management p. 54
- Strategic Planning and Information Systems p. 58
- Summary p. 63
- Review Questions p. 63
- Discussion Questions p. 63
- 3 Documenting Information Systems p. 65
- Synopsis p. 66
- Introduction p. 66
- Reading Systems Documentation p. 67
- Preparing Systems Documentation p. 79
- Review Questions p. 95
- Discussion Questions p. 95
- Problems p. 96
- Part 2 Data Management and Electronic Commerce p. 103
- 4 Database Management Systems p. 104
- Synopsis p. 104
- Introduction p. 105
- Event Data Processing p. 105
- Traditional Data Management Processes p. 110
- Database Management Systems p. 118
- Summary p. 129
- Appendix 4A Logical Database Models p. 130
- Appendix 4B Normalization p. 134
- Review Questions p. 140
- Discussion Questions p. 140
- Problems p. 141
- 5 Relational Databases and SQL p. 143
- Synopsis p. 143
- Introduction p. 144

- Entity-Relationship (E-R) Modeling p. 144
- Relational Databases p. 153
- SQL: A Relational Database Query Language p. 158
- Summary p. 168
- Review Questions p. 169
- Discussion Questions p. 169
- Problems p. 169
- 6 Electronic Business (E-Business) p. 171
- Synopsis p. 171
- Introduction p. 172
- The Changing World of Business Processing p. 173
- Advances in Electronic Communication p. 182
- Stages of E-Business p. 187
- Summary p. 205
- Review Questions p. 206
- Discussion Questions p. 207
- Problems p. 207
- Part 3 Internal Control p. 209
- 7 Controlling Information Systems: Introduction to Internal Control p. 210
- Synopsis p. 211
- Why Do We Need Control? p. 211
- Defining Internal Control p. 217
- Business Process Control Goals and Control Plans p. 223
- Summary p. 231
- Review Questions p. 232
- Discussion Questions p. 232
- Problems p. 232
- 8 Controlling Information Systems: IT Processes p. 237
- Synopsis p. 238
- Introduction p. 238
- Planning and Organization Domain p. 244
- Acquisition and Implementation p. 253
- Delivery and Support p. 256
- Monitoring p. 265
- Summary p. 267
- Review Questions p. 267
- Discussion Questions p. 268
- Problems p. 269
- 9 Controlling Information Systems: Application Controls p. 275
- Synopsis p. 275
- Introduction p. 276
- The Control Framework p. 276
- Control Plans for Data Entry without Master Data p. 280
- Control Plans for Data Entry with Master Data p. 286
- Control Plans for Data Entry with Batches p. 291
- Summary p. 299

- Appendix 9A Data Encryption and Public-Key Cryptography p. 299
- Review Questions p. 304
- Discussion Questions p. 305
- Problems p. 306
- Part 4 Business Processes p. 311
- 10 The Order Entry/Sales (OE/S) Process p. 312
 - Synopsis p. 312
 - Introduction p. 313
 - Process Definition and Functions p. 314
 - Organizational Setting p. 314
 - Managing the OE/S Process: Satisfying Customer Needs p. 317
 - Logical Description of the OE/S Process p. 324
 - Physical Description of the OE/S Process p. 333
 - Application of the Control Framework p. 338
 - Summary p. 346
 - Review Questions p. 347
 - Discussion Questions p. 348
 - Problems p. 348
- 11 The Billing/Accounts Receivable/Cash Receipts (B/AR/CR) Process p. 355
 - Synopsis p. 355
 - Introduction p. 356
 - Organizational Setting p. 357
 - Managing the B/AR/CR Process: Leveraging Cash Resources p. 359
 - Logical Process Description p. 364
 - Physical Process Description of the Billing Function p. 375
 - Application of the Control Framework for the Billing Function p. 378
 - Physical Process Description of the Cash Receipts Function p. 384
 - Application of the Control Framework for the Cash Receipts Function p. 387
 - Summary p. 390
 - Review Questions p. 390
 - Discussion Questions p. 391
 - Problems p. 393
- 12 The Purchasing/Accounts Payable/Cash Disbursements (P/AP/CD) Process p. 401
 - Synopsis p. 401
 - Introduction p. 402
 - Process Definition and Functions p. 403
 - Organizational Setting p. 403
 - Logical Process Description p. 406
 - Technology Trends and Developments p. 418
 - Physical Process Description p. 422
 - Application of the Control Framework to General Expenditures p. 433
 - Summary p. 438
 - Appendix Special Case of P/AP/CD Process--Payroll p. 438
 - Review Questions p. 448
 - Discussion Questions p. 449
 - Problems p. 450

- 13 Integrated Production Processes (IPP) p. 459
 - Synopsis p. 459
 - Competing in a Global Manufacturing Environment p. 460
 - Enterprise Resource Planning Solutions p. 461
 - Two Key Developments in Production Processes p. 462
 - Trends in Cost Management and Cost Accounting p. 464
 - An Integrated Production Process Architecture p. 465
 - A Closer Look at Production Planning and Control and Cost Accounting p. 469
 - Human Resources Management p. 480
 - Key Data Stores p. 483
 - Inventory Management p. 484
 - Integrating the Processes: Supply Chain Management p. 488
 - Supporting Complex Processes with Complex Systems: ERP as a Solution p. 489
 - Summary p. 490
 - Review Questions p. 493
 - Discussion Questions p. 494
 - Problems p. 494
- 14 The General Ledger and Business Reporting (GL/BR) p. 497
 - Synopsis p. 497
 - System Definition and Functions p. 498
 - Organizational Setting p. 499
 - Logical System Description p. 504
 - Technology Enabled Initiatives in Business Reporting p. 511
 - IT Control Processes for Networked Workstations p. 517
 - Summary p. 522
 - Review Questions p. 523
 - Discussion Questions p. 523
 - Problems p. 524
- Part 5 Systems Development p. 525
- 15 Introduction to Systems Development p. 526
 - Synopsis p. 527
 - Introduction p. 527
 - Controlling the Systems Development Process p. 531
 - The Accountant's Involvement in Systems Development p. 535
 - Alternative Development Approaches p. 537
 - Business Process Reengineering p. 540
 - Change Management p. 544
 - Systems Survey p. 545
 - Summary p. 552
- Appendix 15A Project Management Tools p. 553
 - Review Questions p. 558
 - Discussion Questions p. 558
 - Problems p. 559
- 16 Structured Systems Analysis p. 563
 - Synopsis p. 563
 - Introduction p. 564

- The Accountant's Involvement in Systems Analysis p. 568
- The Analysis Deliverable: The Approved Systems Analysis Document p. 568
- Triggering Systems Analysis p. 568
- The Intermediate Steps in Systems Analysis p. 571
- Summary p. 582
- Appendix 16A Tools for Gathering and Analyzing Facts p. 583
- Review Questions p. 586
- Discussion Questions p. 586
- Problems p. 588
- 17 Systems Selection and Systems Design p. 593
- Synopsis p. 593
- Introduction to Systems Selection p. 594
- The Accountant's Involvement in Systems Selection p. 596
- The Systems Selection Deliverable: The Approved Configuration Plan p. 597
- Triggering Systems Selection p. 597
- Software and Hardware Acquisition Alternatives p. 597
- The Intermediate Steps in Systems Selection p. 604
- Introduction to Systems Design p. 614
- The Accountant's Involvement in Systems Design p. 617
- The Systems Design Deliverable: The Approved Systems Design Document p. 617
- Triggering Systems Design p. 617
- The Intermediate Steps in Systems Design p. 618
- Summary p. 619
- Appendix 17A Computer-Aided Software Engineering (CASE) p. 620
- Review Questions p. 621
- Discussion Questions p. 622
- Problems p. 622
- 18 Systems Implementation and Operation p. 627
- Synopsis p. 627
- Introduction p. 628
- Introduction to Systems Implementation p. 629
- The Accountant's Involvement in Systems Implementation p. 632
- The Systems Implementation Deliverable: The Project Completion Report p. 634
- Triggering Systems Implementation p. 634
- The Intermediate Steps in Systems Implementation p. 634
- Systems Operation p. 641
- Summary p. 645
- Appendix 18A Report, Document, and Screen Layout p. 646
- Review Questions p. 649
- Discussion Questions p. 649
- Problems p. 650
- Glossary p. 657
- Index p. 675
