

- **Preface** (p. ix)
- **Acknowledgments** (p. xi)
- **1. A Brief History of Liver Biopsy** (p. 1)
- **2. Indications for Liver Biopsy** (p. 3)
- **3. Technical Considerations** (p. 11)
- **4. Anatomic Considerations** (p. 16)
- **5. Examination of the Liver Biopsy** (p. 30)
- **6. Embryology and Developmental Considerations** (p. 42)
- **7. Nonspecific Reactions of the Liver** (p. 53)
- **8. Acute Viral Hepatitis** (p. 61)
- **9. Chronic Hepatitis (Chronic Necroinflammatory Disease of the Liver)** (p. 83)
- **10. Autoimmune Hepatitis and Related Disorders** (p. 98)
- **11. Effects of Drugs and Toxins on the Liver** (p. 111)
- **12. Granulomas** (p. 125)
- **13. Alcoholic Liver Disease** (p. 134)
- **14. Metabolic Disorders** (p. 150)
- **15. Hemochromatosis and Other Iron-Related Disorders** (p. 177)
- **16. Wilson Disease and Indian Childhood Cirrhosis** (p. 187)
- **17. Small Bile Duct Disorders** (p. 196)
- **18. Large Bile Duct Disorders** (p. 207)
- **19. Vascular Disorders** (p. 216)
- **20. Cirrhosis, Hepatic Fibrosis, and Noncirrhotic Portal Hypertension** (p. 228)
- **21. Noncirrhotic Portal Hypertension** (p. 239)
- **22. The Liver in Systemic Disorders** (p. 242)
- **23. Bacterial, Spirochetal, Rickettsial, Chlamydial, Protozoal, and Helminthic Causes of Hepatitis** (p. 269)
- **24. Benign Tumors and Tumor-Like Conditions** (p. 281)
- **25. Primary and Metastatic Malignant Tumors of the Liver** (p. 305)
- **26. Transplantation Pathology** (p. 335)
- **27. Evaluation of Cholestasis** (p. 358)
- **28. Differential Diagnosis: Common Liver Biopsy Problems** (p. 370)
- **Appendix Electronic Figures** (p. 379)
- **Subject Index** (p. 413)
