

## Table of contents

- Elementary Concepts
- Elements of Wave Propagation
- Antennas
- Radar Equation
- Radar Cross Section
- Radar Signals and Networks
- Pulse Compression with Radar Signals
- Radar Resolution
- Radar Detection
- Radar Measurements-Limiting Accuracy
- Range Measurement and Tracking in Radar
- Frequency (Doppler) Measurement and Tracking
- Angle Measurement and Tracking by Conical Scan
- Angle Measurement and Tracking by Monopulse
- Digital Signal Processing in Radar
- Appendices
- Bibliography
- Index
