

Table of contents

- **Partial table of contents**
- **Nomenclature Rules - Units**
- **Nomenclature**
- **Units**
- **Polymerization and Depolymerization**
- **Decomposition Rates of Organic Free Radical Initiators**
- **Free Radical Copolymerization Reactivity Ratios**
- **Activation Volumes of Polymerization Reactions**
- **Products of Thermal Degradation of Polymers**
- **Physical Properties of Monomers and Solvents**
- **Physical Properties of Monomers**
- **Refractive Indices of Common Solvents**
- **Physical Data of Oligomers**
- **Physical Data of Oligomers**
- **Physical Constants of Some Important Polymers**
- **Physical Constants of Poly(acrylonitrile)**
- **Physical Constants of Cellulose**
- **Solid State Properties**
- **Miscible Polymers**
- **Refractive Indices of Polymers**
- **Solution Properties**
- **Polymolecularity Correction Factors**
- **Theta Solvents**
- **Particle Scattering Factors in Rayleigh Scattering**
- **Optically Active Polymers**
- **Abbreviations of Polymer Names and Chemical Abstract Numbers**
- **Abbreviations for Thermoplastics, Thermosets, Fibers, Elastomers and Additives**
- **Index**
