

Squeezing Fruits in the Second Decade of the Twenty-First Century: The Current Situation of the Juice Industry

*Víctor Falguera and Albert Ibarz*

Product Innovation: Current Trends in Fruit Juice Production to Meet Market Demands

*Miguel Angel Cubero Márquez*

New Trends in Fruit Juices: Superfruits

*Francisco López Bonillo*

Recovery and Use of By-Products from Fruit Juice Production

*Nuria Martí, José Lorente, Manuel Valero, Albert Ibarz, and Domingo Saura*

Assessing Juice Quality: Measuring Quality and Authenticity

*Núria Rafel, Xavier Costa, and Carlos Berdun*

Assessing Juice Quality: Advances in the Determination of Rheological Properties of Fruit Juices and Derivatives

*Pedro E.D. Augusto and Alfredo A. Vitali*

Assessing Juice Quality: Analysis of Organoleptic Properties of Fruit Juices

*Gemma Echeverría and María Luisa López*

Utilization of Enzymes in Fruit Juice Production

*Jordi Pagán*

Advances in Fruit Juice Conventional Thermal Processing

*José Lorente, Nuria Martí, and Domingo Saura*

Thermal Emerging Technologies in Fruit Juice Processing

*M.V. Traffano-Schiffo, N. Balaguer, Marta Castro-Giráldez, and Pedro J. Fito*

Nonthermal Emerging Technologies in Fruit Juice Processing

*Olga Martín-Belloso, Ángel Robert Marsellés-Fontanet, Robert Soliva-Fortuny, and Pedro Élez-Martínez*

Pressure Treatments in Juice Processing: Homogenization Pressures Applied to Mandarin and Blueberry Juices

*Juan Manuel Castagnini, Esther Betoret, Noelia Betoret, and Pedro Fito*

Membrane Processes in Juice Production

*M. Isabel Iborra, Maria Isabel Alcaina Miranda, and Silvia Álvarez*

Juice Packaging

*Maribel Cornejo-Mazón, Darío Iker Téllez-Medina, Liliana Alamilla Beltrán, and Gustavo Fidel Gutiérrez-López*

Spoiling Microorganisms in Fruit Juices

*Antonio J. Ramos and Sonia Marín*

Safety in Fruit Juice Processing: Chemical and Microbiological Hazards

*Sonia Marín and Antonio J. Ramos*

Public and Private Standards and Regulation Concerning Fruit Juices

*Antonio Martínez, Dolores Rodrigo, Josep Arbós, and Yvonne Colomer*
